Michael Scott
NetPassage
419 N. Magnolia Ave
Orlando, FL 32801

Dear Michael,

I would like to commend NetPassage for the excellent job developing my company's website. From initial meetings with Randy, to website development with Dallas and Pete the whole experience has been very enjoyable.

I was very impressed with the knowledge and level of professionalism I received from Net Passage. The timeframes were accurate and our website was up and running in time for our new shipping season.

Please accept my sincere appreciation for a job well done!

Ed White
